When you click the "Buy now" button, we'll send you an e-mail message acknowledging receipt of your order. Your contract to purchase an item will not be complete until we send you an e-mail to indicate that the item has been dispatched.

When ordering via a marketplace seller please accept their terms and conditions. For further information, company details, terms and conditions, and cancellation rights, please click on the seller's name.

You can return your products bought on or shipped by Amazon.de to us in its original condition within 30 days of the date you received the item. This guarantee applies in addition to your statutory right to cancel your order within two weeks of the date you received the item pursuant to the German Civil Code. For shrink-wrapped and/or sealed data media (for example CDs, audio cassettes, VHS videos, DVDs, PC and video games and software) this means that we only take back the products in the unopened shrink wrap film or with an undamaged seal. This voluntary returns guarantee does not apply to digital products or software which are not supplied on a tangible medium (e.g. on a CD or DVD). For further information, see [Return Policy](#).

You can print our order information and our terms and conditions and file them for your documentation. You can access the order information in "My Account"; we only publish the terms and conditions in their current form. If you wish to return an order to a seller, please contact the seller regarding the process of returns and refunds. Amazon.de provides its Marketplace as platform for transactions only and does not become party to any sales contract between you and the seller.

Gift Cards and Discount Vouchers: The original expiry date, if any, applies to any unused funds. If your order total is more than your gift card balance, the extra will be paid for by your default payment card or by using further gift cards on the same page. Certain discount vouchers apply to certain product categories or products only - please read the specific information regarding a voucher. For further information on gift cards and gift vouchers, see [here](#).
